## CLEAN SWEEP

Program to dispose of Agricultural and Household Hazardous Chemicals

**2023 One Day Program!**

**Program Open One Day Only!**

**Friday, June 16, 2023  
8:00am-2:00pm**

**Collection Site:  
Green County Landfill  
W2002 County SS  
Brodhead, WI 53520**

### Guidelines:

- **Agricultural Products**—Farmers can dispose of up to 100 pounds for free.
- **Household Products**— Homeowners will be able to dispose of up to 100 pounds for free.
- A testing fee may be charged for unknown chemicals if amounts are greater than 5 gallons or 50 pounds.
- Participants will need to sign in when bringing in products. No pre-registering is needed
- All items should be properly identified.
- Proof of Green County residency is required.
- We reserve the right to reject any item that does not meet the intent of the program. Materials will only be accepted by authorized personnel on Friday, June 16, 2023. Funding for this program is limited and the program will be suspended when the annual allocated funds are depleted.
- Businesses may dispose of hazardous materials for a fee through Veolia Environmental Services.
- All Green County residents will be able to dispose of materials at the landfill on this day only. Questions may be directed to the Green County Landfill at 608-897-8605.

#### **Examples of Items Accepted**

- |  |  |
|--|--|
| • Home Products                                  | • Herbicides                           |
| • Insecticides                                   | • Fungicides                           |
| • Old Fertilizer                                 | • Wood Preservatives                   |

For additional information, please check the Green County Clean Sweep webpage at <http://green.extension.wisc.edu/>  
Or call the Green County Landfill at 608-897-8605.

## Clean Sweep

### WHO CAN PARTICIPATE?

All Green County residents and farmers can participate in the Clean Sweep Program. No pre-registration is required for the event. This is a one day free event with proof of residency in Green County.

### HAZARDOUS MATERIALS FOR DISPOSAL

Waste chemicals include any type of weed, insect, fungus or rodent killers, but also include sanitizers, and other chemicals. Pesticides become wastes when they can no longer be used. Hazardous waste materials include banned products, products damaged by moisture, contamination or outdated products.

### SAFETY GUIDELINES

- Visually inspect containers before lifting. Secure lids, caps, and covers before moving.
- Leave materials in their original containers. DO NOT mix materials.
- Leave all labels in place, even if worn or torn. If labels are missing, please list contents with a permanent marker.
- Place the containers in a plastic or garbage bag lined cardboard box for easy hauling.
- Use the trunk of your vehicle or truck bed.

For more information contact the Extension Green County Office at 608-328-9440 or the Green County Landfill at 608-897-8605.

*An EEO/AA employer, University of Wisconsin-Madison Division of Extension provides equal opportunities in employment and programming, including Title VI, Title IX, the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act requirements.*

## General Guidelines

### Disposal and Testing Fees

#### Agriculture Products

Farmers can dispose of Ag Chemicals for free.\*

#### Household Products

Homeowners will be able to dispose of household chemicals for free.\*

\*The exception to fees is for the items on the back of this brochure marked "with a fee". A testing fee may be charged for unknown chemicals if amounts are greater than five gallons or fifty pounds.

All fees must be paid by cash or check at the time of disposal.

### Other Notes

- Proof of Green County Residency required.
- Participants do not need to pre-register.
- All items should be properly identified.
- We reserve the right to reject any item that does not meet the intent of the program.
- Funding for this program is limited and the program will end with annual allocated funds are depleted.
- Materials will only be accepted by authorized personnel during the hours as listed.

**Dispose of Hazardous Materials  
on Friday, June 16th, 2023  
8:00am—2:00pm**

## HAZARDOUS OR NOT?

Many products you use in your home and yard contain hazardous materials. Improper disposal of these products can cause fires, injuries to people and animals, and groundwater contamination. This guide will help you identify hazardous products in your home. For more information on how to dispose of hazardous materials not accepted at the Clean Sweep visit: <https://green.extension.wisc.edu/>
